Agreement between CIT Roussillon and TRANSDEV Limocar

A 10-year contract worth \$2.7 million to provide passenger transportation in the Roussillon CIT region

Montréal, Québec, November 30, 2007 —CIT Roussillon and TRANSDEV Limocar have just concluded an agreement for a 10-year service contract worth \$2.7 million, equivalent to market value, to provide service from the towns of Delson, Sainte-Catherine, and Saint-Constant to Montréal and Longueuil. “This new contract with TRANSDEV Limocar will be for a 10-year period. It will take effect on July 16, 2008 and conclude on July 15, 2018. The renewal of the bus fleet on regular routes, with the addition of air conditioning, and the new organization that will be set up, will help improve the quality of the service we provide to our clientele,” noted Gilles Meloche, President of CIT Roussillon.

“We are pleased with the conclusion of the agreement and signing of the contract. The people of Roussillon can be assured of high-quality service starting in July,” concluded Jean Thibodeau, Directeur of Operations at TRANSDEV Limocar.

About CIT Roussillon

The *Conseil intermunicipal de Transport Roussillon* (CIT Roussillon) provides low-cost transportation services for residents of the city of Delson, Sainte-Catherine, and Saint-Constant to the Island of Montréal and Longueuil. Founded in 1984, CIT Roussillon currently relies on a fleet of 16 vehicles from its carrier to provide 445,000 passenger trips per year.

About Limocar

Limocar operates 320 vehicles with the capacity to transport four million passengers a year, and has 435 employees. It provides public transport service to over 40 municipalities through contracts with the CIT de la Vallée du Richelieu and CIT Laurentides.
